

Act. 4.1: Cluster Manager Course Austria (Graz, Zeltweg), 10th and 11th of July

Presentations

[Cluster Manager Course Austria/ Hengsberger](#)

[Cluster Manager Course Austria/ Seebacher](#)

[Cluster Manager Course Austria/ Wallner](#)

[Cluster Manager Course Austria/ Jurnjak](#)

[Cluster Manager Course Austria/ Christoph Reiss Schmidt](#)

[Cluster Manager Kurs Austria/Presentation Pretterhofer](#)

[Cluster Manager Course Austria/ Puttinger](#)

[Cluster Manager Course Austria/ Reiber](#)

[Cluster Manager Course Austria/ Schabereiter](#)

[Cluster Manager Course Austria/ Welcome Speech](#)

[Cluster Manager Course Austria/ Christoph Reiss Schmidt 2](#)

Act. 4.1: Cluster Manager Course Italy, 17th and 18th of October 2013

Presentations

[Alessandra Gruppi, Branding & Intangible assets](#)
[Michele Feletig, Informest consulting, Internationalization Informest Consulting](#)

Act. 4.1: Cluster Manager Course Slovenia, 6th and 7th of November 2013

Presentations

Part I: Development of the Slovenian wood sector and their infrastructure
[- Milavec I.: Development of the Slovenian wood sector and its infrastructure](#)

Development Centres of Slovenian Economy in Slovenian wood sector

- [Bernard Likar, RC 31, DC of the Creative Furniture Industry.](#)
- [Dr. Robert Ivancic, INTECH-LES, DC of the interdisciplinary technologies and products in the field of wood processing.](#)

Research and education institutions in Slovenian wood sector

- [Prof.dr. Miha Humar, Department of Wood Science and technology, BF, UNI LJ.](#)
- [Doc.dr. Tom Levanic, Slovenian Forestry Institute.](#)
- [Bernard Likar, Competence Center for Human Resources Development in wood sector.](#)

Part II: Innovative wooden products for building and architecture, green building
Green Innovative Building with wood

- [Prof.dr.Milan Sernek, University of Ljubljana, Biotechnical Faculty, "Structural wood-based composites for green building".](#)
- [Assist.prof. dr. Manja Kitek Kuzman, University of Ljubljana, Biotechnical Faculty, "Contemporary Slovenian Timber Building for Sustainability".](#)
- [Prof. dr. Miroslav Premrov, University of Maribor, Faculty of Civil Engineering, "Timber-glass buildings".](#)
- [Dr. Bruno Dujic, Iztok Sustersic, Jurij Jancar, CBD d.o.o., »CBD – Contemporary Building Design with Timber« .](#)

Innovative wood prefabricated building and joinery

- [Doc.dr. Vesna Zegarac Leskovar, University of Maribor, Faculty of Civil Engineering, "Development project - Timber passive house Marles".](#)
- [Natasa Teraz, Lumar IG d.o.o., "Active house-next step in energy efficiency".](#)
- [Dr. Ales Ugovsek, M Sora d.d., "Optimal wood window".](#)

Design-Innovation Workshop

- [Lutz Kucher](#)

Part III: Design and wood - Innovative services and wooden products for furniture

Introduction: Creative industries in Slovenia

[- Natalija Medica, Ministry of Economic Development and technology of RS.](#)

[- Prof. Nada Rozmanec Maticic, Faculty of Design.](#)

Design of Products and Ambients in wood

[- Prof.dr. Jasna Hrovatin, Faculty of Design, From interdisciplinary work and inovative products to a competitive furniture industry.](#)

[- Arch. Giuseppe Marinelli, ISIA Roma, "Design Scenario and Wood field : from Innovation to Change".](#)

Act 4.2.: Innovation Seminar Belgrad, 1st - 3rd of October 2013

Presentations:

[Subic Characteristics of optimal wooden window](#)

[Turkulin Wood and Innovation in Southeast Europe](#)

[Ko?etov Mi?ulic REGULATION EU No 305 5](#)

[Pavlovic SERBIA ON THE ROAD OF IMPLEMENTATION OF ENERGY EFFICIENCY IN BUILDINGS](#)

[Pohleven Petric Use of modified wood in building constructions \(thermal and chemical treatments\)](#)

[J?rg Koppelhuber Innovation, Design & Product management, methods, tools and techniques](#)

[Glavonji? Regulation N° 995 for wood construction and especially to sawmills business](#)

[Jelena Mati? Department of Technology, Management and design of](#)

Act 4.2.: Innovation Seminar in Sibiu, 22nd - 24th of October 2013

Presentations

[01a Presentation wood defects](#)

[01b Presentation wood when use en](#)

[02a Presentation panels when use](#)

[02b Presentation panels defect s](#)

[03 Presentation covering materials](#)

[04a Presentation adhesives](#)

[04b Presentation adhesives when use](#)

[05 Presentation coatings](#)

[06 Presentation safety furniture](#)

[06b Presentation chemical safety](#)

[07 Presentation performance furniture](#)
